

Cuddle The Kulhad

With over 4 Lakh Kulhad Chai every day, we brew the perfect experience of happiness and create soulful memories. We are synonymous with aromatic Kulhad Chai and platterful of cool vibes.

We are India's fastest growing chai-chain & franchise that started its journey back in 2016. We envision blending Kulhad's health benefits with the most go-to-beverage "Chai" in India. Hailing from the commercial capital of Madhya Pradesh, we're well known for our uniqueness and world-class service. We have a mission to serve a wishful cup of tea in every corner of the world.

Always Welcome To Join Us & Fall In Love With Tea Again.

READ OUR STORY

It's Chai O' clock

Mission

We're on a mission to spread our Kulhad Chai across the world and get people to try it globally & taste the aroma of India's soil with their every sip from Kulhad.

Vision

Our vision is simply to bring Indian cultural values from the roots and blend them with the world-class ambience to serve people with aromatic experiences and cheerful memories.

Expansion

We are in our expansion mode, i.e. to be present in all the cities of India and all the countries across the globe. Currently present in 370+ cities of India and three countries apart from India.

Chai Sutta Bar - Untold Story

"I remember the initial days of CSB where each new customer brought tons of joy and smiles to my and other team members' face. And when any customer praised us for tasty chai, use of kulhad, or ambience, we were over nine clouds. At CSB, we always want that fire inside every member of CSB and crave that smile. Now, I love to hear stories from different corners of the world."

- Anubhav Dubey
